

人がつながる 未来へつなげる ねたてのまち 宜野湾

～活気にあふれ、豊かで住みよいまちを目指して～

本市のまちづくりの方向性や市民との協働による「ぎのわん・未来ワークショップ」の意見等を踏まえ、第四次宜野湾市総合計画（平成28年度：総合計画、令和2年度：後期）を策定しました。

本計画では、『人がつながる 未来へつなげる ねたてのまち宜野湾』を将来都市像に掲げ、分野別に6つの目標を設定し、活気にあふれ、豊かで住みよいまちを目指し、これまで同様、市民協働によるまちづくりを進めていきます。

また、成果が特に強く望まれる「子ども成長支援」、「生活安全・安心」及び「まち・ひと・しごとプロジェクト」の施策を重点プロジェクトとして位置づけ、後期基本計画（令和3年度～令和6年度）の4年間で横断的・総合的に取り組んでいきます。

Connecting people, connecting the Future Ginowan, a city of Netate
～Aiming to be a vibrant, prosperous, and livable city～

Based on the direction of the city's urban development plans and the opinions of the "Ginowan-Future Workshop" which is held in collaboration with its citizens, the 4th Ginowan City Comprehensive Plan (FY 2008: Comprehensive Plan, FY 2020: Second Phase) was formulated. This plan sets forth the cities vision of the future of "Connecting People, Connecting to the Future, Netate Town Ginowan" and establishes six goals for each area, aiming to create a vibrant, prosperous, and livable city. In addition, the "Growth Support for Children," "Life Safety and Security," and "Town, People, and Work Projects," are positioned as priority projects for which results are particularly desired and will be addressed in a comprehensive and cross-sectional manner over the four (4) years of the second term basic plan (FY2021 to FY2024).
