

Applying for the Ginowan City Special Cash Handout for Childbirth

— Effective April 1, 2023 —

Ginowan City is implementing the "Ginowan City Consultation Support and Parent-Child Support Aid" scheme which integrates consultation support to provide counseling from pregnancy through childbirth and childrearing, and a monetary gift to reduce financial burden of pregnant women and childrearing families. Please apply after confirming the following.

Eligibility

Special Cash Handout for Childbirth (50,000 yen per expectant mother)

○An expectant mother who submits a notice of pregnancy after April 1, 2023 and who has a registered address in Ginowan City at the time of application

*Those who were unable to give birth as a result of a miscarriage, etc., are also eligible.

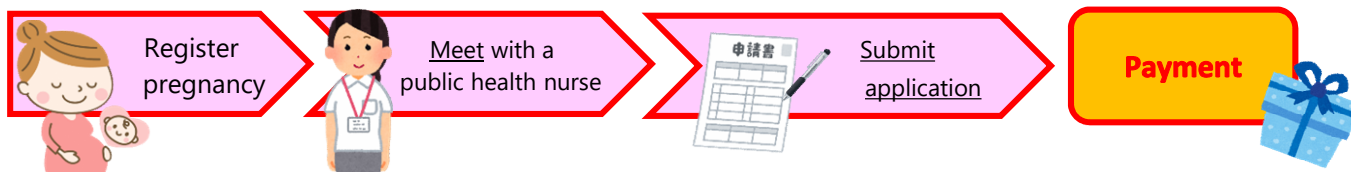

Application

To receive the handout, applicants must apply and be interviewed by a public health nurse.

Please submit an application after confirming the "Required Documents" section below.

All eligible mothers, regardless of their desire to receive the handout, must submit documents ① and ②.

Application process (general) *Regular visits to an ob-gyn clinic is a prerequisite for meeting with a public health nurse.

*An application can only be submitted between the day you register your pregnancy and the day you give birth. Please apply as soon as possible.

*The meeting with a public health nurse is by appointment only. Please make a reservation using the QR code below.

Required documents

- ① Application form (will be handed out at the interview)
- ② Survey (will be handed out at the interview)
- ③ Proof of bank details (showing the name of the bank, branch name, branch code, account number, account holder's name)
- ④ ID (My Number Card, driver's license, passport, etc.)

*Please remember to bring documents ③ and ④ with you.

Payment

The handout will be deposited into your bank account 3-4 weeks after your application is received. Please confirm the deposit using your bank book.

*Errors on the application may cause a delay in payment.

Book a meeting with a public health nurse using this QR code

*by appointment only
