Complete this field if a representative will be applying and receiving the aid on behalf of your household. As a general rule, the representative must be a member of the same household.

Proof of Bank Details

(Provide a copy of your bank book or cash card that shows the name of the bank, account number, and the account holder name (in Japanese katakana))

If you wish to have the financial aid deposited into an account other than the one printed on the form, please provide a copy of the bank book or cash card of your preferred bank account.

*You may skip this part if you will be using the bank account printed on the top of this form.

Proof of Identity of the Applicant (or Representative)

Only required if you wish to have the fund deposited into a bank account other than the one specified on the top of the form OR if a representative will be receiving the aid on behalf of the head of household.

*Accepted forms of ID include the My Number Card, driver's license, health insurance card, passport, welfare certificate etc. *Any 1 piece is accepted.

*If a representative will be receiving the aid, please provide both the head of household and the representative's ID.

*If the representative is not a member of the same household, please provide a document that shows the relationship between the representative and the head of household (such as a koseki tohon).

Have you registered your bank account with the government to receive public funds?

If you have a My Number Card, you can easily register your bank account on the Myna Portal. Registration is not a requirement of this financial aid.

For more information →

(What is this registration system?)

This is a system whereby citizens register their bank account with the Digital Agency to receive benefits and other public payments. Once registered, it will no longer be necessary to include bank account information or provide a proof of bank details when applying for government benefits or aids in the future.
