

Request for Immunization Record

In accordance with the Immunization Act, Ginowan City notifies families individually about their children's immunization by sending preliminary checkup sheets (vaccination vouchers) based on the age of vaccination eligibility and the number of vaccine doses received to date.

Ginowan City will register new residents' vaccination history in the City's immunization registry. Please provide the following documents.

Note Families that fail to provide their child's immunization record will not be notified individually about vaccination at the appropriate time!

【Documents to submit】

- ① **Immunization History Questionnaire (attached)**
- ② **Immunization record page from the Parent (Mother) and Child Handbook and immunization record from overseas (if applicable)**

Enclose documents ① and ② in the light green return envelope provided. Please mail the documents to us as soon as possible.

★ATTENTION★

If you are unable to mail your immunization record(s), please bring them to the Ginowan City Health Consultation Centre in person.
